Meet Mindy!

Mindy is a teller at the Denver Branch, where she has worked since December, 2018. A fourth generation Colorado native, she has been married for 17 years, and has two awesome teenage sons (in her own words). When not on the job, she is a master gardener and enjoys taking hikes in the splendor of Colorado's beauty. She also paints canvas pictures of glorious nature scenes, so her hobbies seem to go hand in hand.

The next time you see Mindy at the Denver Branch, be sure to thank her for everything she does – and ask her for tips on how to perfect your garden this summer!

IMPACT

RMLEFCU recognizes officers with 2019 Awards

In June, the credit union announced its 2019 recipients for the 2nd *Unparalleled Community Impact Awards*. These officers have been cited for acts that affect our communities and citizens in positive and meaningful ways.

A heartfelt homecoming

When Alicia Harris of Denver Police Department spotted a man living in a downtown alley, just a few blocks from Coors Field, she didn't turn a blind eye. For the next several weeks, she worked to reconnect him with his sister in Spokane, who had given him up for dead. They are now reunited.

For Officer Harris, the reward was in the results. "When we got that reassurance the next day and he was with her, that was just icing on the cake. Being on a homeless outreach team, that's what we do. It's not so much enforcement as it is outreach and getting them connected and seeing them succeed from homelessness."

A hero with heart

Beyond his efforts for the Colorado Springs Domestic Violence/Sexual Assault/Domestic Violence (DVSA) Unit and the CSPD's Tactical Enforcement Unit, Officer Matt Waters has extended added support to those he has aided. These include a fellow officer injured in the line of duty in August, who he has supported throughout his rehabilitation, as well as Hannah (pictured with Officer Waters above), who has been embraced by the Waters family during her battle with brain cancer.

Responding in a heartbeat

Earlier this year, Victim Advocate Courtney Hill (Jefferson County Sheriff's Office) showed her heart during a hostage situation, when a woman was held by her son who was equipped with firearms, night vision equipment and body armor. She was present for the entirety of the 14-hour call, and following the safe rescue by the Jeffco SWAT team, she engaged the woman and her husband in coping with the aftermath, assisting them with safe harbor in a local hotel and navigating insurance claims and compensation. She continues to work with the family today.
