## HEY, CARD HOLDERS

Protecting you is our top priority. One way we do this is by preventing the unauthorized use of your card. During an online purchase, you may be guided through an extra step to verify your identity. If the merchant has opted into this extra service, you will receive a text message with a one-time passcode to help verify that the transaction is in fact authorized by you. This helps us ensure you are the rightful owner of the card and better protects you from fraud.

💰 Whether it's credit monitoring or personalized budgeting tips, it's the ultimate toolkit for building a stronger financial future. Say goodbye to money stress and hello to financial empowerment! 💪🌟
