THEY'RE HERE!

We are thrilled to announce that RMLEFCU is now offering an In-School Private Student Loan Program! The private student loan program is only open to students who are actively in-school either in an undergraduate or graduate program and enrolled in at least a half-time enrollment status, at an eligible school. We also have rolled out a Private Student Loan Refinancing loan program and Private Parent Loan Program! These student loans are private student loans and are not associated with Federal Student loans that are offered by the U.S. Department of Education.

HEY, CARD HOLDERS

Protecting you is our top priority. One way we do this is by preventing the unauthorized use of your card. During an online purchase, you may be guided through an extra step to verify your identity. If the merchant has opted into this extra service, you will receive a text message with a one-time passcode to help verify that the transaction is in fact authorized by you. This helps us ensure you are the rightful owner of the card and better protects you from fraud.

🛡️ Guard your online fortress! Strong passwords, two-factor authentication, and regular security check-ups are your best allies against cybercriminals. Stay one step ahead and keep your digital life secure. 🏠💻

Visiting family? Gift purchases? Cooking dinner for the whole family? Our holiday loan covers any of the expenses you may need during the holidays, whatever they may be 🤝

Don't just vacation; elevate every moment of an indulgent getaway! With our new Visa Quantum Signature® card, you'll get all of the travel benefits you deserve 😎 Head on over to our website to learn more about the exclusive perks of being a Signature® cardholder!
