Meet Adam!

Meet **Adam Summers!** He has been with RMLEFCU for 2 years, and his current role is Business Development Representative.

Adam has been married for almost 4 years to his beautiful wife Melissa, and they have an awesome 20-month-old son Rory. "These two are my life," says Adam, who is pretty much spending time with them, when he's not working. Their favorite things are long walks and going to the park.

If you ask Melissa and Adam about their favorite vacation spot, they're sure to answer Disney World—where they have visited a few times, enjoying the Night of Joy concert and the wine and food festival.

Adam provides an unparalleled member experience to our members and their families due to having family members in law enforcement. Next time you are in Denver, stop by Adam's office and ask him about Rory or Disney.

Email us from your phone: it's as easy as texting!

In fact, it's the same thing! If you want to send us a message while on the go, simply text to the main number at 303-458-6660. Your message will automatically transfer to our email system, where you'll be taken care of promptly!

Fraud can sneak up on you... if you let it.

Stay on guard, with comprehensive and affordable protection, monitoring (including dark web), and restoration services. Activate **Kasasa Protect** now.

a rmlefcu salute

The credit union has recognized three area deputies who we lost in action in recent months. Condolences and gift baskets were sent to the families—a small gesture of thanks for these officers and their ultimate service.
