Financial Security for Colorado's Finest

February 2019

Say "I love you" with their first checking account.

More than just "candy and a card," your kids will really feel the love with a RMLEFCU checking account and their own debit card. They take charge of their own money—while you maintain a helpful eye.

Best of all, kids get a jumpstart as a member of our elite credit union group. It's worked for you, and it will work for them, too!

Imagine your house harboring a hidden treasure.

(That's pretty much how a HELOC from RMLEFCU works.)

It's like discovering a lost fortune behind your living room wall. **A Home Equity Line of Credit at a rate as low as 5.50% APR*** is money in your hand when you need it.

Applying for a HELOC is easy: start the process at rmlefcu.org, call us at 303-458-6660, or stop in and speak to a RMLEFCU loan officer today. You'll be pleased to find the treasure hidden within the walls of your home.

**Annual Percentage Rate. With approved credit. Some restrictions may apply.

Meet Jeannie!

Jeannie Ninete is a Loan Processor at the Aurora Branch, where she has worked since September 2017.

Originally from Guam, she relocated to Colorado in 2003, where it was difficult to adjust to the snowy weather. When not at work, she enjoys traveling, looking for great bargains at yard sales, and decorating (she dearly loves Halloween and Christmas).

She is admittedly very competitive and always strives to give the best quality of service in the quickest fashion; she loves the work she does, and the members love her for her efficiency. If you go down to the Aurora branch, be sure to say hi to her - most times her desk is littered with paperwork, but she's always ready to help with whatever you need, especially if you bring her chocolate cake!
