Financial Security for Colorado's Finest

May 2017

The number one travel tip

When you get ready to head out on your summer vacation, **always alert your credit card company that you are traveling.** The last thing you need is to have your card shut down on the road. Also:

- Consider bringing both a credit and debit card; pack one of them away safely, in case you lose your wallet or worse. Split up your cash or travelers checks in the same way.

- Use credit cards for major purchases. For instance, RMLEFCU cards are 100% free of liability, and typically have better exchange rates overseas than ATMs.

- Carry your money safely. Keeping your wallet in a front pocket or a pouch under your shirt helps toward keeping your trip a happy one!

Whatever your vacation getaway, get it going with the **Getaway Loan!**

Make your travel plans come alive with the financing you need, whether jetting overseas, exploring Colorado's majesty, or rambling from sea to shining sea.

- Borrow up to **\$2,500**
- As low as **7.95% APR***
- Up to 12 months to repay

Call **303-458-6660** or visit **rmlefcu.org**

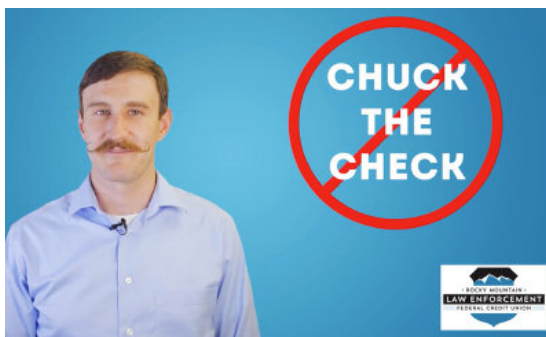

*Annual Percentage Rate. With approved credit. Some restrictions may apply.

Offer valid through July 31, 2017

Salute an Officer for Police Week – and you may both be winners.

Help us join in the nationwide salute during Police Week by saluting a fellow officer.

Simply share a story or a great reason why this officer should be honored on social media or in a RMLEFCU branch and your names will be entered into the prize drawing; please feel free to include a photo (with the officer's permission, of course). We will recognize all the officers and their stories on our branch video signage. Winners will be announced after Police Week.

Get your submissions in by May 19th to qualify!

Our Annual Meeting is around the corner: Thursday, May 4

Mark your calendar for RMLEFCU's 2017 Annual Meeting, held on Thursday, May 4 at 11:00 a.m. at our Denver office.

Please RSVP by April 27 to Jody Hill (720-855-4148 or jhill@rmlefcu.org).

Now is the time. And this is the place to make it happen.

WHAT'S THAT?

MY CREDIT UNION HAS 5,600 BRANCHES IN ALL 50 STATES?

That sounds better than the ocean! We are part of a national network of credit unions that share facilities, called shared branching. As a member, you can stop in and do transactions like withdrawals, deposits and transfers at any of these branches - just like you would your local credit union.

Visit co-opcreditunions.org/locator to find a shared branch.

Download the app "CO-OP Shared Branch" too.
